Tasting Note

The D & B Cuvée Decadente GSM+C is a celebration of David & Boris' 20 year plus friendship. We have used tiny parcels of some of the most interesting varieties from Boris' own Domaine to blend this 2010 vintage red wine. Single grape selection delivers exceptional quality.

Our grapes were handpicked from some very old vines –the Carignan vines were planted over 100 years ago! The Domaine comprises only 11 hectares in total. The quality and intensity is due to picking at the grapes' perfect phenolic maturity, enabling us to make wines in a very traditional way but with a modern, caring vision.
