Tasting Note

Tierra de Castilla is one of Spain's most historical yet innovative wine producing areas. The vineyards have a hot and dry climate, producing low yielding fruit of surprising intensity and varietal characteristics.

This single varietal wine is made exclusively from the Tempranillo grape. It has been crated to appeal to a broad spectrum of taste profiles.

Our rose is full of lively summer fruit flavours, just off dry in style to be perfect to drink on its own or with a wide variety of fish and white meat dishes.
