

MONTE BRUT SPARKLING (CANADA)

Grape Varietal

100% Macabeo

Production area

Tierra de Castilla, Central Spain

Alcohol Level

10%

Ageing & Storage

Drink now and over the next 18 months

Tasting Note

Tierra de Castilla is one of Spain's most historical yet innovative wine producing areas with a climate of extreme temperatures, located 705 meters above sea level and seared by the intense sun. Tierra de Castilla rewards us with characterful wines.

The wine is pale greenish/yellow in colour, clean and bright. The nose shows natural aromas of fresh grapes - fine and elegant, with hints of delicate summer fruit salad. The palate is well balanced.

Serving & Dining

8c. Ideal with light appetizers, seafood and fruit desserts.

Packaging/Pallet Size

12 bottles per case - 750ml per bottle.

50 cases per pallet - 10 case per pallet
