

MONTE ROSSO TEMPRANILLO (CANADA)

Grape Varietal

100% Tempranillo

Production area

Tierra de Castilla, Central Spain

Alcohol Level

13%

Ageing & Storage

Best drunk within 12 months

Tasting Note

Tierra de Castilla is one of Spain's most historical yet innovative wine producing areas. The vineyards have a hot and dry climate producing low yielding fruit of excellent intensity and varietal characteristics.

This single varietal wine is made exclusively from the Tempranillo grape. This classic Spanish red is bright, layered and deliciously dark summer fruits flavoured, with a good dose of spice and savoury herb notes.

An incredibly food friendly wine that is also a pleasure to enjoy on its own.

Serving & Dining

16/room temperature. Great with roasted, grilled and barbecued red meats, spicy lamb tagine, lighter spiced curries, charcuterie and hard cheeses.

Packaging/Pallet Size

12 bottles per case - 750ml per bottle.

75 cases per pallet - 15 cases per layer (American pallet)

Or

60 cases per pallet - 12 cases per layer (Euro pallet)
